

Alan Scotland & Ewen Robert visit to India

A Ministry of King's Church Wirral and Life Link, in India

Alan Scotland and Ewen Robert visiting the Day care Center Children

It was a blessing that we had Alan and Ewen from Life Link visiting our ministry in India on the 5th and 6th Of January. Even thou it was just for two days, it was a fruitful visit and we had a good time of ministry with them. It was also a good start to the year for us since it was the first week of the New Year 2010. Here are some highlights of their visit to India.

Visit to Day Care Center

Alan and Ewen visited our Day care center and had a good time of fellowship with the children. Alan shared his testimony of how he came to know the Lord Jesus at the age of 10 and what a difference Jesus can make in their lives if they invite Jesus into their heart.

It was a very encouraging word for the students because most of the Children who come to our center are non-Christians who we have rescued from the Child Labor.

Gospel Meeting for Dalit people

As a result of our ministry in Goa, we have been able to start a worship meeting for the Dalit people who live in the slums.

While Alan and Ewen were here we invited all the people to come for a meeting.

Ewen shared his testimony of how he came to know the Lord. Alan shared the message of Jesus and his Love for people in need. At the end of the meeting people prayed the salvation prayer and invited Jesus into their heart.

Micro enterprises

On the 5th of January Alan and Ewen distributed nine tailoring machines to 9 Women. This is a project where individuals will receive their own tailoring machine and then will pay back the money little by little every month till the loan is over. So far we have been able to give to over 25 women. Today all of these women are making their living through the machines we have given.

In the future we are planning to launch various projects like this.

Computer Centre

Alan and Ewen visited our computer centre and prayed for the young people.

The aim of this computer centre is to train young people who live in the slum and have some basic education. They need some computer knowledge to be able to get a good Job or to do higher education. We are training these people from the slum because they cannot do this course outside due to a lack of finance.

Graduation

On the 5th of January we had a graduation for 15 Girls who had completed their six months course in tailoring. Now all these girls can start earning a living. During the six months we were able to share the gospel everyday through devotions and Bible study. As a result of this four girls are now coming to Church every Sunday.

Ewen shared the word of God and Alan Scotland shared the Gospel message. At the end Alan gave an invitation to the people to invite Jesus into their heart. People responded and we are doing follow up with the those who excepted the invitation, pray that they will continually grow on the Lord.

**Thank you for your prayers
and support for our
ministry in India.**
