

16 - 18 March

Cefn Lea Conference Centre

Above all, God’s greatest desire is to have an intimate relationship with us. He longs to reveal his love to us in new ways. He desires for us to fall completely and utterly in love with him. Nothing compares to the inexpressible joy and freedom that comes when we have a deep revelation of our Father’s heart toward us.

“His love never fails, it never gives up, it never runs out on us...”

It is in relationship where our eyes are lifted onto something so much greater, something so much more fulfilling and something so much more captivating than we could ever hope or dream of. It is in relationship where all our fears and worries disappear. It is in relationship where we have the faith to believe the gifts, dreams and destiny that God is calling us to.

When we gather in March let’s come ready to respond to our first love and expect to have our gifts, dreams and destiny released from a nice thought in our heads to reality.
